MESSAGE FROM SUE SMITH
Program Manager

Here we are half-way into the summer, and I hope everyone is getting out and enjoying the good weather. We have all been through a lot in the last fifteen months and finally getting back to normal. Doesn’t it seem great? We have plenty of trips out there for you to enjoy. Finally, the ships are back in the water and doing well. I hope all those that went to the Windmill enjoyed the day. It was just great to see everyone.

Great News! In person meetings will be back in October. See dates and locations below. We are also starting up our Roommate Connection so let your agent know if you are looking for a roommate and they can get you on the list.

Looking for a day trip in the fall? I have the perfect one for you, the Adirondack Rail and Sail. You will get to travel on a motorcoach, train and a boat all in one day! And the best part is that you will be with your Solo friends. We have two departures, the first one is September 30th and will be for vaccinated members only and is a Solo Exclusive. And a week later, we are doing the same trip and not exclusive to vaccinated only members. Just getting away for a day can make all the difference in the world and gives you a new outlook on life.

Enjoy the summer and hope you can make the October meeting. It will be great to see everyone. Stay healthy and hope to see you on one of our fun trips and at our October meeting.

“There is a world so vast that can only be reached by a wanderer who is free.”
